CONGREGATIONAL SONG

I LOVE YOU LORD

I love You, I love You, I love You Lord, today;
because You cared for me in such a special way.

That's why I praise You, I lift You up,
and I magnify Your name;
that's why my heart is filled with praise.

My heart, my mind, my soul belongs to You.
You paid the price for me, way back on Calvary.

That's why I praise You, I lift You up,
and I magnify Your name;
that's why my heart is filled with praise.

Oh yes, that's why my heart is filled with praise....

I NEED YOU TO SURVIVE

I need you; you need me. We're all a part of God's body
Stand with me agree with me.

We're all a part of God's body

It is his will that every need be supplied
You are important to me; I need you to survive.
You are important to me; I need you to survive.

I'll pray for you; you pray for me.

I Love you; I need you to survive.

I won't harm you, with words from my mouth,
I love you; I need you to survive. (Repeat 2x)

It is his will, that every need be supplied.
You are important to me; I need you to survive.

FOR SPIRITUAL LIVING

Whatever the Question!

Our Vision

- To recognize, respect, honor, and nurture the uniqueness in all people.
- To serve the needs of people through practicing the principles of truth in our everyday lives.
- To see every community, awoken to the Spiritual Truth of their own being, starting here starting now.

Our Mission

- To empower, enlighten and provide a space to create, develop and maintain a loving relationship with God.
- Provide guidance to discover the Christ Principle within oneself and all people.
- To assist in recognizing the reality of God's Word along with the Science of Mind philosophy as tools for Spiritual Freedom.

Our Declaration

We will honor and teach in a manner that Inspires, Nurtures and Glorifies the God presence within all of God's creations.

We will allow the life of Jesus to be an example as to the way we live, move, and experience our beingness.

We will continue to grow in the understanding that, "Ye are the light of the world."

What We Believe – The Declaration of Principles

We Believe in God, the Living Spirit Almighty; one, indestructible, absolute, and self-existent Cause. This One Manifests Itself in and through all creation but is not absorbed by Its creation. The manifest universe is the body of God; it is the logical and necessary outcome of the infinite self-knowingness of God.

We Believe in the individualization of the Spirit in us, and that all people are individualizations of the One Spirit.

We Believe in the eternality, the immortality, and the continuity of the individual soul, forever and ever expanding.

We Believe that heaven is within us, and that we experience it to the degree that we become conscious of it.

We Believe the ultimate goal of life is to have complete freedom from all discord of every nature, and that this goal is sure to be attained by all.

We Believe in the unity of all life, and that the highest God and the innermost God is one God.

We Believe that God is personal to all who feel this indwelling Presence.

We Believe in the direct revelation of truth through our intuitive and spiritual nature, and that anyone may become a revealer of truth who lives in close contact with the indwelling God.

We Believe that the Universal Spirit, which is God, operates through a Universal Mind, which is the Law of God; we are surrounded by this Creative Mind which receives the direct impress of our thought and acts upon it.

We Believe in the healing of the sick through the power of this Mind.

We Believe in the control of conditions through the power of this Mind.

We Believe in the eternal Goodness, the eternal Loving-kindness, and the Givingness of Life to All.

We Believe in our own soul, our own spirit, and our own destiny; for we understand the life of All is God.

HOSTED BY REV. JERROLD SMITH

Stay Inspired

Believe that life is worth living, and your belief will help create the fact.

— William James

With every new inspiration of thought we appropriate something of God. With every outpouring of life, expressed in faith and good deeds, we are expressing God.

— Ernest Holmes, "The Science of Mind"

I get it. We live in times when we find it hard to stay inspired. With the news showing all of humanity's inhumanity, we sometimes find it difficult to stay in a space of love. Sometimes I find myself in a space of wonderment, by which I mean that I wonder why this keeps happening.

We human beings are interesting creatures. We waste so much time wondering which bachelorette will get a rose, what the latest fashions are, what the politicians are doing in this nation and around the world. I'm not saying that paying attention to that last part is not important. What I am saying, though, is that we cannot allow ourselves to get distracted from who we came here to be.

Albert Einstein said, "In the middle of every difficulty lies opportunity." Every experience is an opportunity to love. Every experience is an opportunity to grow.

To stay inspired, we must keep our focus on that which we desire. Do not allow yourself to be distracted from expressing your God-given desire. You are here on purpose for a purpose.

To be sure, we can't stick our heads in the sand. We can, however, be keenly aware of what's going on, staying focused and inspired to bring our desires to manifestation. Your desire for peace can help change the world.
